

REPORT 2020-21

CEEC

Earth Hour (28th March 2020)

Earth Hour is a global grassroots movement uniting people to take action on environmental issues and protect the planet. The Earth Hour encouraged students to turn off non-essential electric lights, for one hour, from 8:30 to 9:30 p.m. The one-hour lights-out event proved to be the symbol of a broader commitment toward nature and our planet.

Earth Day (22 April 2020)

Earth Day is an event celebrated towards the environmental movement and raises awareness about pollution and ways to maintain a clean habitat. It is a day that reminds us to continue to do the little things that help our environment. Things like turning off the lights, the conservation of energy, planting trees, recycling, reducing, and reusing. For the same, students made engaging videos which proved to be very inspiring for all other students.

MCOP Certification (18th-23rd May 2020)

Ms. Adita Saxena was recognized for active participation in guiding delegation at WWF India's Model Conference of Parties MCOP-I.

World Nature Conservation Day (28th July 2020)

Celebrated on July 28 each year, World Nature Conservation Day acknowledges that a healthy environment is the foundation for a stable and healthy society. To ensure the well-being of the present and future generations, we all as responsible human beings must participate in protecting and conserving nature.

Save Tiger Day (29th July 2021)

International Tiger Day is celebrated on July 29 every year to raise public awareness and support for tiger conservation.

Earth Speak Campaign (30th July 2020)

Students expressed their concerns for nature in the form of poetry, short film, and photography and let their creativity make a mark.

Sanctuary Asia Cub magazine (September edition)

Ms. Adita Saxena and Ojas were featured in the magazine. Sanctuary Cub is the first and still the only children's nature magazine in India. With an aim to instill respect and concern for the environment and wildlife in young children, Cub continues to be their first introduction to the wild and wonderful world of nature.

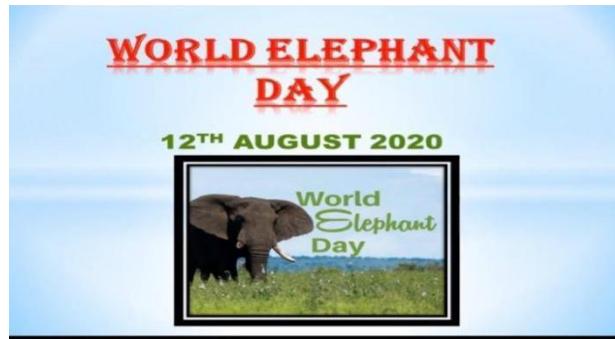

Eco-friendly Rakhis (3rd August 2020)

The students of junior school made eco-friendly plantable rakhis and decided to tie this bond of responsibility and care towards our environment. Students learned the importance of natural and biodegradable materials, unlike plastic ones. These ingredients include Tulsi and carrot seeds. From the thread to the box these rakhis come in, everything is made from recycled paper. The Round Centre is a seed bomb with plant seeds, the fan is made up of paper origami and the thread is made of paper, making them completely biodegradable. This helped in sending a strong message of eco-friendliness and encouraging proximity to nature by promoting the plantation of trees and flowers.

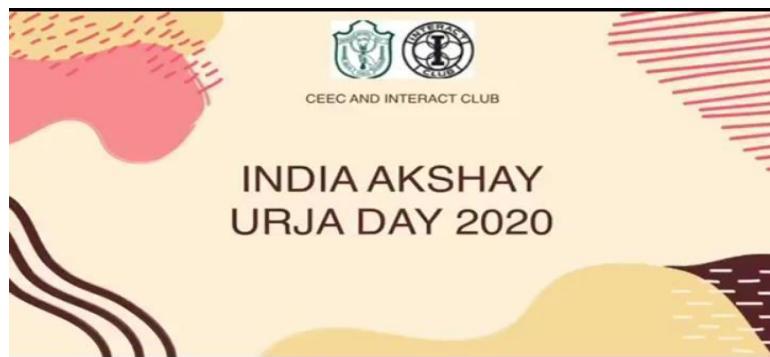

World Elephant Day (12th August 2020)

World Elephant Day is celebrated on the 12th of August every year to raise awareness about the problems that elephants face in the wild and to find out the ways to protect them. It is imperative to protect elephants as they are vital for maintaining the biodiversity of the rainforests. Students made videos to help enlighten others about the critical threats they are facing and to support positive solutions that will help ensure their survival.

Indian AkshayUrja (20th August 2020)

Indian AkshayUrja or Renewable Energy Day is celebrated on the 20th of August every year. Indian AkshayUrja is observed to mark the importance of renewable energy resources in India. The Ministry for New & Renewable Energy Sources, Govt. of India promotes innovation to adopt renewable energy sources to produce power for the electricity grid and several stand-alone applications. India's government is aware of the importance of the development of renewable energy sources to provide the state with a sustainable amount of energy. Students made videos and presentations to raise awareness and inform people about the same.

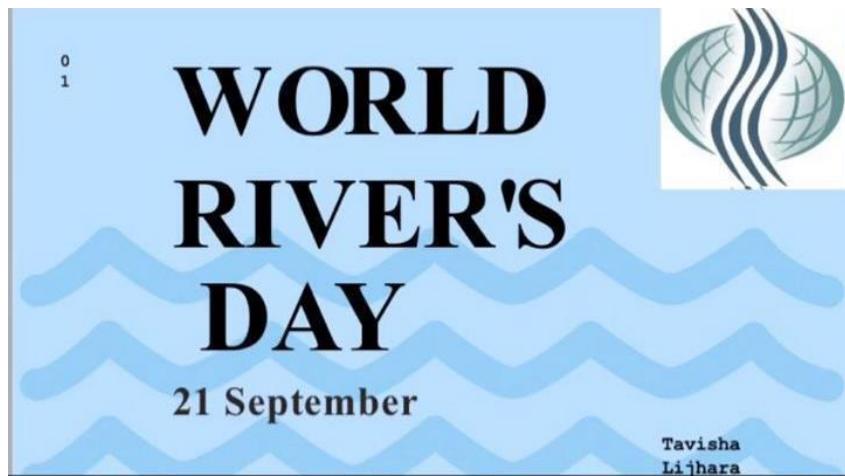

World Ozone Day (16th September 2020)

World Ozone Day is observed on September 16. The day is meant to raise awareness about the importance of the ozone layer and how its depletion is leading to global warming and climate change across the world. Students made videos and spread awareness about the depletion of the ozone layer and the search for solutions to prevent it from happening further.

World River Day (25th September 2020)

World River Day is celebrated on the fourth Sunday of September to commemorate the world's waterways and highlight the dangers of rivers. Students made videos to highlight the many values of our rivers, increase public awareness and encourage the improved stewardship of all rivers around the world. Rivers in virtually every country face an array of threats. These threats can be prevented through the active participation of people to ensure the health of the rivers in the coming years.

International Day for Elderly (1st October 2020)

International Day for the Elderly is celebrated on October 1 every year. Students observed the day to spread awareness about the importance of senior citizens in our society and to appreciate their contributions.

Swachh Bharat Abhiyan (2nd October 2020)

Swachh Bharat Abhiyan is one of the most significant and popular missions to have taken place in India. Swachh Bharat Abhiyan translates to Clean India Mission. This drive was formulated to cover all the cities and towns of India to make them clean. Students made videos and presentations to raise awareness on the same.

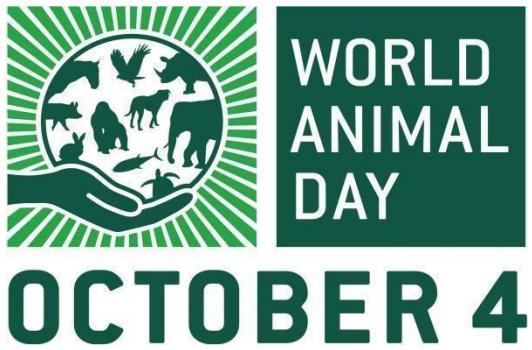

Swachh Bharat And Waste Disposal

CEEC AND INTERACT CLUB
DPS Vasant Kunj

World Animal Day (4th October 2020)

In 1929, World Animal Day was celebrated on 4th October for the first time. The mission of World Animal Day is to raise the status of animals in order to improve their welfare standards around the globe. Celebration of World Animal Day unites the animal welfare movement, mobilizing it into a global force to make the world a better place for all animals. World Animal Welfare Day was first started in 1931 at a convention of ecologists in Florence, Italy, to highlight the importance of endangered species. Students made videos and presentations to sensitize others on the same.

Air Force Day (8th October 2020)

Every year, Air Force Day is celebrated on October 8 at the Hindon base in the presence of the IAF Chief and senior officials of the three armed forces. These celebrations include an air display where the most crucial and vintage aircrafts put up a magnificent show.

World Migratory Bird Day (9th October 2020)

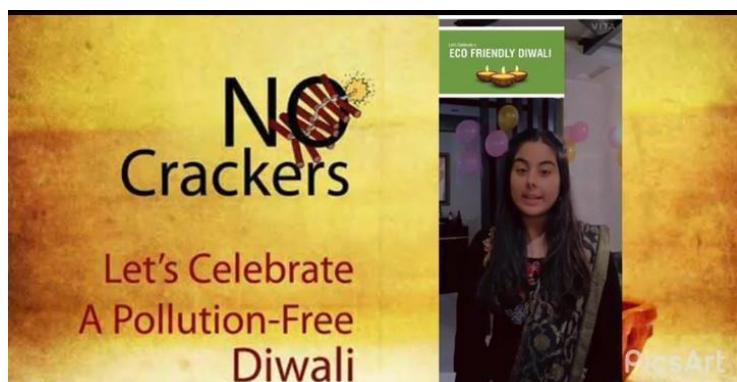

This year the theme of World Migratory Bird Day, “*Birds Connect Our World*” was chosen to highlight the importance of conserving and restoring the ecological connectivity and integrity of ecosystems that support the natural cycles that are essential for the survival and well-being of migratory birds. The theme also underlines the fact that migratory birds are a part of our shared natural heritage and they depend on a network of sites along their migration routes for breeding, feeding, resting and overwintering.

Stop Slaughtering Wildlife

The club aimed to work with key partners, food and health professionals, government agencies and local communities across India to create awareness about the impact of degradation of habitats and the commercial trade of wildlife species.

Eco-Friendly Diwali (14th November 2020)

Green Diwali is a way to celebrate this beautiful festival of lights with minimum consequences to the environment and detrimental impact on the health of our Mother Nature. With the bursting of loud firecrackers, the pollution in the country rises to a dangerous level causing discomfort to the elderly people, children and pets. The students made videos to spread awareness about the same. This video was also sent to the CBSE.

E-waste Segregation Video

Students created a video to inform others and spread awareness about the efficient separation of materials which is also the foundation of electronics recycling.

New Year Video (1st January 2021)

Amidst the pandemic, students did not let the zest and positivity of a new year down. They enthusiastically expressed their hope for the upcoming year by making a video.

World Braille Day (4th January 2021)

On Louis Braille's birthday, observed as World Braille Day, students celebrated by emphasizing the importance of braille as a means of communication in the full realization of the human rights of blind and visually impaired people.

World Wetlands Day (2nd February 2021)

World Wetlands Day is an environment-related celebration dating back to the year 1971 when several environmentalists gathered to reaffirm the protection and love for wetlands. A wetland is a small environment of plant life and organisms found within water bodies that bring about ecological health in abundance to not only the water bodies but to the environment as a whole. It is celebrated to raise global awareness about the vital role of wetlands in keeping the essence of our planet alive. This day also marks the date of the adoption of the Convention on Wetlands on February 2, 1971, in the Iranian city of Ramsar on the shores of the Caspian Sea. Students made videos and presentations to raise awareness on the same.

World Cancer Day (4th February 2021)

To raise attention and inspire action for a cancer-free future, students made posters to campaign for the movement.

World Day of Social Justice (20th February 2021)

Students campaigned for World Day of Social Justice, which is an international day recognizing the need to promote social justice. It includes efforts to tackle issues such as poverty, exclusion, gender equality, unemployment, human rights, and social protections.

World Polar Bear Day (27th February 2021)

International Polar Bear Day on February 27 raises consciousness on the problems faced by the polar bears and ways in which we can reduce our carbon footprint. Students raised awareness about the impact of global warming and reduced sea ice on polar bear populations. The day encourages people to find ways to reduce their carbon output, such as by turning down their thermostats or driving less.

OLYMPIADS

Edu-heal Olympiad

OLYMPIAD NAME	STUDENT'S NAME	CLASS	MEDAL
IGO	Aiyansh Verma	6th	gold
