SESSION : 2022-2023

Dear Parent,
Greetings from the DPS Vasant Kunj family!
We would like to extend a warm welcome to all the parents and the little ones, who have joined our school community.

“Children need the freedom to appreciate the infinite resources of their hands, their eyes and their ears , the resources of forms, materials, sounds and colours.”

This is the year for our youngest learners to shine brightly in our classrooms. It will be the year of a plethora of interesting, exciting and fun filled experiences which will help in the overall development of our little stars. Learning is a two-way process, teachers and parents have always played a crucial role in the social and emotional development of a child. The purpose of this collective effort is to nurture the child and bring out the best in each one of them.

We hope that you will motivate your child to attend the school regularly and extend to him/her the required support and cooperation.
