

Cyber Safety Workshop - 2023

On 24th August 2023 an informative session was organized on 'Cyber Safety and Sensitization to Cyberbullying behaviors'.

This session was conducted for classes 6 -7 (8:00 am to 9:00 am) and classes 8-9(9.45 am to 10.45 am).

The resource person for the session was Mr. Sajjan Singh, Inspector, Cyber Cell, IIIrd Battalion, DAP Vikaspuri, Delhi Police.

The session focused on the following parameters.

Safety tips on online social media, Ethical behaviors on online social media such as having strong passwords, clearing password history, having safe privacy settings and netiquettes on all gadgets exposed to the cyber world and internet, and controlling who has access to your posts and information.

Sensitization to issues such as identity theft and cyber bullying were also addressed. Special focus was laid on Cyberbullying. The children were made aware of the fact that bullying is a criminal offense and punishable under the law. Tips such as not being friends with unknown persons and clicking on unknown links and QR scan codes could be potential threats.

The students were also made aware of potential threats from online grooming, and sextortion and refraining from spreading fake news. Information to keep themselves safe in the cyber world was disseminated.
